

VCC181

Super-Fast Cable Type-C to Type-C

Extra durable, premium 1 metre braided cable with super-tough Kevlar insulation for impact and bend protection. Perfect for fast charging PD compatible phones and other Type-C devices requiring up to 18W.

- SUPER-FAST for Samsung Galaxy S8 + all Power Delivery (PD) compatible Smartphones, when paired with PD compatible charger
- Fully compatible with all non-PD USB Type-C powered devices, up to 50% faster than a standard 5W charger
- Supports data transfer for syncing devices
- Tested to withstand 10,000 bends and reinforced with Kevlar sheilding for maximum durability
- Premium braided finish improves grip and prevents tangling
- Included cable belt keeps cable tidy for storage
