

VUCM1

Super-Fast Cable USB to Type-C / Micro

QuickCharge
3.0 ⚡

up to
18W

Extra durable, premium 1 metre braided cable with super-tough Kevlar insulation for impact and bend protection. Perfect for fast charging mobile phones and other devices requiring up to 18W.

- SUPER-FAST for Samsung + all Quick Charge 3.0 (QC 3.0) compatible Smartphones when paired with a QC 3.0 charger
- Fully compatible with all non-QC 3.0 USB chargers and devices, and backwards compatible with QC 1.0 and 2.0
- Supports data transfer for syncing devices
- Tested to withstand 10,000 bends and reinforced with Kevlar sheilding for maximum durability
- Premium braided finish improves grip and prevents tangling
- Included cable belt keeps cable tidy for storage

Micro USB

USB Type-C
